- Tare weight: .22 kg

Product highlights

Molded plug
Molded plugs ensure secure connections between components and offer extended durability.

Flexible PVC Jacket
Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Bare copper shielding
Bare copper shielding protects against signal loss.

Easy grip
This non-slip grip makes connecting your components easy and ergonomically comfortable.

Nickel-plated connectors
Nickel-plated connectors establish a clean contact between the cable and connector for a reliable connection.
